IMPROVEMENTS MADE TO THE NEW DELTA CHI HOUSE

When the members of the undergraduate chapter left for home last summer they knew one thing, that the Delta Chi Housing Corporation had purchased a house located on 508 Sunset. We knew that the last occupants were not happy about leaving this prime piece of real estate so we assumed that they would not leave every-thing in tiptop condition. We were correct. When we took occupancy everything was in disarray. To start with, we took off many loads of trash and debris, put up gallons and gallons of paint, recarpeted the hallways and sleeping dorms, renovated the main living room, fixed up the housemothers quarters, and many other things that turned a good structure into our new home. This work could not have been done without the alumni who sacrificed many fun filled summer weekends to volunteer and work at fixing up the new Delta Chi house so it would be completed in time for the August move in date. We would like to thank every alumnus who devoted his time and money to make our fraternity experience at Kansas State complete. Any time you are in town you have a place to visit or stay because this is your house as much yours as it is yours.

FOUNDER'S DAY APPROACHES QUICKLY

October 10th is only a week away, and already the guys around the house are getting ready. Our annual Founder's Day Banquet has taken on special meaning this year with the addition of our new house at 508 Sunset. The tentative schedule for the 10th includes house tours and breakfast, the Colorado-Kansas State football game on two big screens, dedication luncheon, followed by the banquet in the evening. We are excited about our guest speakers which include Chris Johnson, Order of the White Carnation, Shannon Johnson, our new Region 4 Regent, Scott Kleinfelter, "CC", and Barb Robel, K-State Greek Affairs Advisor. It will be a chance for all of us to reminisce and exchange stories. For those of you that have not RSVPed yet, please call Matt Killingsworth at (785)539-7627 ext. 147. The September 18th deadline was a typo and we apologize for that. It will be a memorable time and we hope to see you and your family on the 10th.

ALUMNI EVENT DURING THE NEBRASKA GAME

For those of you who don't follow college football, the Kansas State football team is posed to be in the game of the year, as long as Nebraska doesn't lose before hand. November 14th is the date for K-State vs. Nebraska show down. The town will be filled to capacity with excited fans wanting to witness the game first hand or the excitement in Aggieville after the game. With the magnitude of this game we thought that many of you might be in town on this weekend and would be looking for a place to stay or something to do. So, for those of you who are planning coming into town on Friday November 13, before the

game, there will be plenty of beds or couches you can sleep on. On Saturday we will have our tailgate party in the student section of the parking lot. There will be the red and buff Delta Chi flag flying to direct you to the correct location. For those who don't have tickets to the game, you can watch it at the house on TV if you wish or at any of the many establishments in Aggieville which will be showing it. After the game there should be a variety of things to do. I hope those of you that are in town will be sure and come by. It should be a good time for all that attend.

INTRAMURAL FOOTBALL

The flag football team just completed their successful season ending the year with a big win over the Pi Kaps. Although we just missed the playoffs by one win, everyone on the team played very hard and refused to give up regardless of the situation. The teamwork we gained during football season should spill directly into basketball season, which is just right around the corner.

HOMECOMING 1998

RIDE THE TIDE OF PURPLE PRIDE is the theme for Homecoming '98. The actual week of Homecoming starts on October 19 and ends with the football game on October 24. On October 19 the Spirit Banner will be hung in the Union and from noon to 1:00 p.m. there will be a kickoff rally in the Union Courtyard. Wednesday, October 21 is the preliminary Bodybuilding contest. It will be held in Ahearn Fieldhouse from 7:00 - 8:30 p.m. The following day, October 22 is the Bodybuilding finals. Again, it is in Ahearn Fieldhouse from 7:00 - 8:30 p.m. On Friday the Homecoming Parade begins at 4:00 p.m., starting from Manhattan Town Center and ending at the Old Stadium. Shortly after, from 6:00 - 8:00 p.m. is the Pant the Chant competition and Bonfire. Also, the winners of Homecoming week will be announced at the Bonfire. Then, Saturday at 1:10 p.m. is the football game against the Iowa State Cyclones. Hope you can make it back for some of these events.

ITB, 
Brandon Konda "Homecoming Chair"

NEW DELTA CHI WEB PAGE

Over the summer Cory Lafferty has completely went through and updated our web page. There are still a couple of things left to do but all and all it is done. You can view the web page at www.ksu.edu/deltachi
We are thinking about starting an alumni section so if anyone has any comments or information let me know at crh@ksu.edu

FIRST SCHOLARSHIP IS AWARDED

The 1st annual Dr. Alan Brightman/Delta Chi Outstanding Incoming Student Scholarship was awarded to Reese Deewall from Coldwater, Kansas, by the Delta Chi Educational Foundation during our summer chapter meeting. The scholarship is dedicated to Dr. Alan Brightman for his dedication to Delta Chi serving as "BB" and campus advisor for the last six years. Thanks to all the alumni who have contributed to the foundation.

SUCCESSFUL SUMMER RUSH

This past summer, for the first time, we implemented a summer rush program. It began when I started making contact with possible rushees in the spring and over the summer months. I traveled to different cities around the state to host rush events, take rushees out, and sit down with parents. As of October 1, 1998 we have closed the class and have signed 22 Associate Members for this falls Nu class, our biggest AM class since our first couple years on campus. This spring, I will be turning to the very capable hands of Cody Sudemeier to take over as rush chairman. Cody will help us in our ultimate goal of filling our new house to capacity while still maintaining a very strong number of out of house member. This is the biggest year in our short history and we intend on making it one of the best. One of the main ways of achieving this are by increased membership. We would appreciate any rush recommendations you might have to be sent to me at mcclain@ksu.edu

Thank you for your help.

Tony McClain "Rush Chairman"

IN LOVING MEMORY OF JAMES M. KOMATZ April 2, 1975 - July 15, 1998

God saw him getting tired and a cure was not to be. So He put His arm around him and whispered, "Come with me." With tearful eyes we watched him suffer and saw him fade away. Although we loved him dearly we could not make him stay. A golden heart stopped beating a special man was put to rest. God broke our hearts to prove to us He only takes the best.

ALUMNI UPDATES

Did you know.....

-Bill and Rory Shipley had a daughter, Anna Marie, on January 5, 98

-Joel and Amber Andrews wedding was this summer
