Pairing Places 2nd in Homecoming 2002

This year's homecoming was a little different than those of the past. With the random pairing of partners for homecoming, people had some doubts of whether or not it would work out. After finding out that our fraternity pairing was with Phi Delta Theta, a few members were skeptical of this fall's homecoming. But, it turned out to be a great experience.

Our pairing of Phi Delta Theta, Pi Beta Phi, and Delta Chi placed second place in the Greek Division for homecoming, and were just shy of landing the top spot. Everyone seemed to get involved in one aspect or another to make it an exciting week.

Delta Chi Named Greek of the Month

For the month of November, Sheldon Bucl was named the Greek of the Month as Kansas State. Sheldon is a junior in Management Information Systems/Finance and holds many positions in the house. He is the executive director of the Delta Chi

10th/40th Founder's Day Passes

Another year, another Founder's Day passes. But this year's was a little more special than those in recent years. October 13, 2002 marked the tenth anniversary since our colonization in 1992 and our fortieth since our first colonization at Kansas State in 1962.

This year's event saw a pretty good turnout with nine alumni returning to the Little Apple for the football game and banquet. Most of the undergraduate chapter also attended the event which included the handing out of brotherhood awards for the semester, two speakers, and Sorority Woman of the Year award.

Brotherhood awards were given to Eric Cunningham for Athletic MVP, Jon Hertzler for Big Brother of the semester, Joe Freach for Associate Member of the semester, and Brother of the semester was given to Sheldon Bucl. The award for Sorority Woman of the Year was also given out. The process started out by sending applications to all of the sororities on campus. At the time of the deadline, the applications were narrowed down to seven finalists who all attended our Founder's Day Banquet where the winner was announced.

Overall, the banquet was a success, and hopefully we will continue to have a good turnout for this event in the future along with the Spring Alumni weekend.

Educational Foundation, the upcoming Associate Member Counselor, and recently was elected as the chapter "F" which is Risk Management. Outside the chapter, Sheldon currently serves as a member of the Student Senate. In addition to that, he is also currently serving on the Privilege Fee Committee. If that wasn't enough, he is also a involved with GAMMA and is also a member of the University Calendar Committee.

New Alumni!

Congratulations to the newest members to our Alumni roster. The fall of 2002 graduates will be missed around the house, and we hope to see you again soon!

Dustin Dieker

Austin Deforest

House Improvement Chair Created

A new chair was recently created in chapter to oversee small projects that needs to be done to the chapter house. We felt by creating this chair, we could get ideas of what new things we would like to see around the house, and what needs to be fixed. The first elected chairman to this position is Marc Merryman. He was the person who formulated the idea of this chair and committee.

Some of the projects this committee is currently looking into are visual improvements to the to the different wings of the house, landscaping outside of the house, and minor repairs to the house.

This edition of the Alumni Newsletter was written by Kenneth Shear. He can be contacted at 785-395-4300 ext. 24 or emailing him at kes6336@ksu.edu.

Upcoming Events...

Weddings:

Justin Ricke and Hollie Strevey were married on August 31, 2002 in Norton, KS

Engagements:

Ryan Evans recently got engaged to Summer Alford

**Fall Rush Class
Closed With 25
Men**

Delta Chi had another great rush class this fall. After the great start of 14 guys at the end of school, co-rush chairs Joe Lane and Clint Bradbury brought their class to an end in late August and finished with twenty-five quality men.

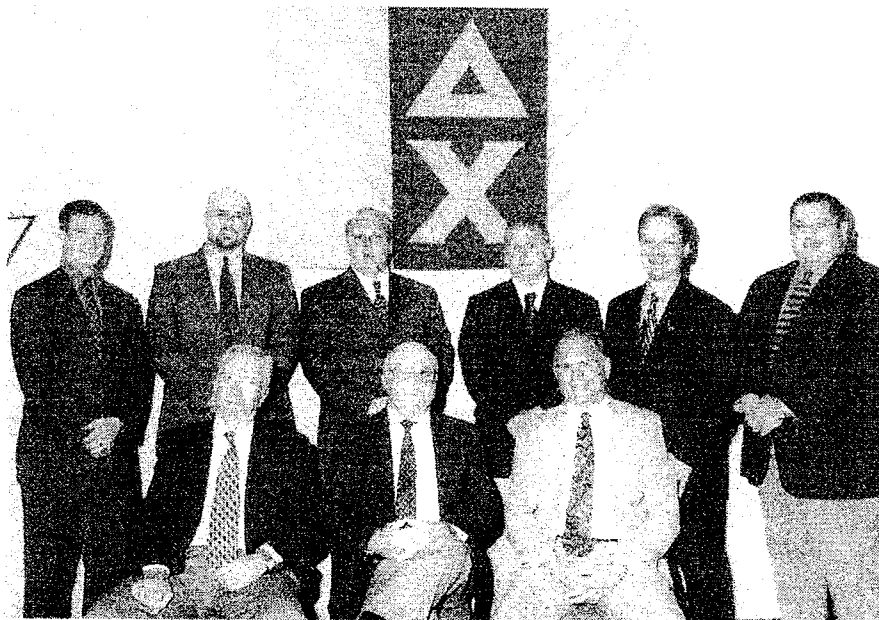

But rush didn't stop after that. Brent Felten and Russell Jelinek were elected rush chairs for the spring class which they got to work on right away. So far, they have 7 men signed with bid cards out to a number of others. Plus, rush for the fall 2003 class will begin quickly. If you know of anyone that will be attending K-State, please let us know! You can send any information about potential rushees to Clint Bradbury, cmb9977@ksu.edu.

Preamble of Delta Chi

We, the members of The Delta Chi Fraternity, believing that great advantages are to be derived from a brotherhood of college and university men, appreciating that close association may promote friendship develop character, advance justice, and assist in the acquisition of a sound education, do ordain and establish this constitution.

**Keep Us
Informed...**

Please send us anything that you would like to see included in the next edition of the Alumni Newsletter. Information about what you are currently up to, if you have been married or engaged just recently, or a birth of a child is great for the newsletter. Help keep your fellow brothers up to date with your life. We want to know!

Recognize any of these faces? These were the Alumni attendees at the Founder's Day Banquet held at the Ramada Plaza in Manhattan, KS on October 12
